Carol Drinkwater, whose three books "The Olive Farm, The Olive Season, and The Olive Harvest" sold more than a quarter of a million copies in the UK alone, has produced an entirely new volume documenting life on Appassionata, the farm she shares with her husband Michel. Many of the well-loved locations and a large cast of engaging characters make an appearance, and the local customs, hidden beaches, fairs, culinary pleasures, and off-the-beaten track charms of Provence all receive lovingly detailed attention.
